

Reopening of 4/F, MMW Library and Soft Launch of the New Research Commons 蒙民偉圖書館四樓重開暨研修閣試行運作

With the completion of the renovation works of Phase Two of Mong Man Wai Library Spatial Reorganization Project, the 4/F of MMW Library will be reopened on 2 March, 2015. As there will still be additional installation works for equipment and shelving in March 2015, the new Research Commons located on 4/F, MMW Library will initially be open to Library users on a soft launch basis.

The new 4/F, featuring the new Research Commons, has been re-designed as the designated "Silent Floor". After the reopening, users will be able to try out the new Research Commons and they can once again browse the Major Book Series and bound serials on 4/F in person. In line with the work schedule and collection relocation of Phase Three of the Project, the Reference Collection and Media Collection will be relocated to 4/F sometime between March and April.

A total of 62 individual study carrels will form the core of the new Research Commons. Every study carrel will have plenty of work space equipped with individual lighting and power outlet. All-in-one-PC's will be installed at 20 study carrels at a later stage.

During the soft launch, all seating will be first-come-first-served but unattended occupying of seats with personal belongings will be strictly forbidden. When the Research Commons is launched officially, a new booking system will be installed and all study carrels will be made available for advanced reservation.

蒙民偉圖書館空間改善工程第二期的裝修項目已經完成，我們將於二零一五年三月二日重開圖書館四樓。由於在二零一五年三月期間仍需安裝書架和其他設備，位於四樓新設的研修閣，將以試運形式開放。

重新設計的圖書館四樓是改善工程內的指定安靜樓層，全新的研修閣為第二期改善工程的主要新增設施。當四樓重開後，讀者不僅能夠再次自由瀏覽「大套叢書」和期刊合定本，更可以率先體驗研修閣提供的安靜研讀空間。為配合第三期改善工程的日程，參考資料和媒體資料亦將於三月至四月間遷移至四樓。

新增的研修閣由62個個人閱覽座組成。每個座位均提供寬敞的桌面，獨立的檯燈和電源插座。日後我們將為其中20個座位安裝一體式電腦供讀者使用。

研修閣試運期間，我們歡迎讀者以先到先得的形式使用個人閱覽座，但嚴禁以物件霸佔座位。日後研修閣正式運作的時候，讀者將會透過一套全新的預約系統，預約個人閱覽座。
