

## New “EdVideo” Video-on-Demand System 新「EdVideo」自選視像系統

The Library’s EdVideo video-on-demand system (<https://edvideo.lib.eduhk.hk>) has been providing online contents of local TV programs to the EdUHK community for over 20 years. To better meet the current teaching and learning needs of our students and staff, the Library has totally revamped EdVideo and migrated it to a new site which supports different desktop and mobile platforms.

While the old EdVideo only supported basic “word/phrase” searches, the new EdVideo offers more diversified searching and filtering functions such as “date”, “sort” and “status” which can improve the accuracy of search results. Other new features include thumbnails of popular TV programs from different TV stations on the front page, displaying sequence numbers of episodes, and improved display of individual episodes, all of which will make searching and watching TV and other video programs on EdVideo much more user-friendly.

Please feel free to contact the Library’s Information Counter at 2948 6653 should you need assistance in using the new EdVideo interface.

圖書館的 EdVideo 自選視像系統 (<https://edvideo.lib.eduhk.hk/tc>)，為教大師生提供本地電視節目的線上錄像已經超過二十年。為了配合同學和老師現今教學的需要，圖書館全面更新了 EdVideo，並且支援各種桌面和移動平台。

舊 EdVideo 只提供基本的「詞語/詞組」搜尋功能，而新 EdVideo 則提供更多元化的搜尋和篩選功能，包括「日期」、「排序」、「狀態」等，讓讀者取得更精確的搜尋結果。其它新功能包括在版面首頁上各個電視台熱門節目的縮圖、分集集數顯示、更佳的分集內容顯示等，令讀者在搜尋和觀看電視節目及其它錄像資料時倍感方便。

各位在使用新 EdVideo 時如需協助，歡迎致電 2948 6653 聯絡圖書館諮詢服務台。
