Forum Guideline

1. Please check your group number and topic before you post your information/opinions. (i.e. You are in group 1 and you would like to post something about Starfish Bay, then you should find the group named **"Group 1 – Starfish Bay Field Trip"**)
2. State your **MAIN TOPIC / PURPOSE** of your message clearly in the subject line (Top of the message) to show what you are talking about.
3. Do not only focus on posting messages, but you should give your own responds and reflections after reading message or information given by your group members.
4. You should show your own opinions and what did you learn or observe about the topic or from the field trip.
5. Please participate in online discussions as the **DISCUSSION PROCESS AND FINAL PRODUCT** will also be assessed.
6. Please be professional and courteous.
7. Choose your words carefully, phrase your sentences clearly, and keep your sentences and paragraphs brief.
8. You are recommended to use a word processor to draft what you intend to say to avoid network problems. Then paste your text into the message section of your posting.

Assessment

Assignment 1 (30%) – Individual work

Assignment 2 (30%) – Group work

Assignment 3 (40%) – Group project

Applying the e-learning techniques

Our e-learning platform:

facebook

Please raise your hand if you do not have a Facebook account.

Grouping

- Students could form their own groups of 5 to 6 students
- Please give me your names with your Facebook account of each group to me (A form is prepared for you)
- And please pick and join your own group (refer to your group number) from our Facebook page. (Group 1 to 6 will be established by course instructors)

https://www.facebook.com/groups/marineodyssey/

Or you can search from your Facebook: **"Hong Kong Marine Odyssey"**

Or scan this QR code

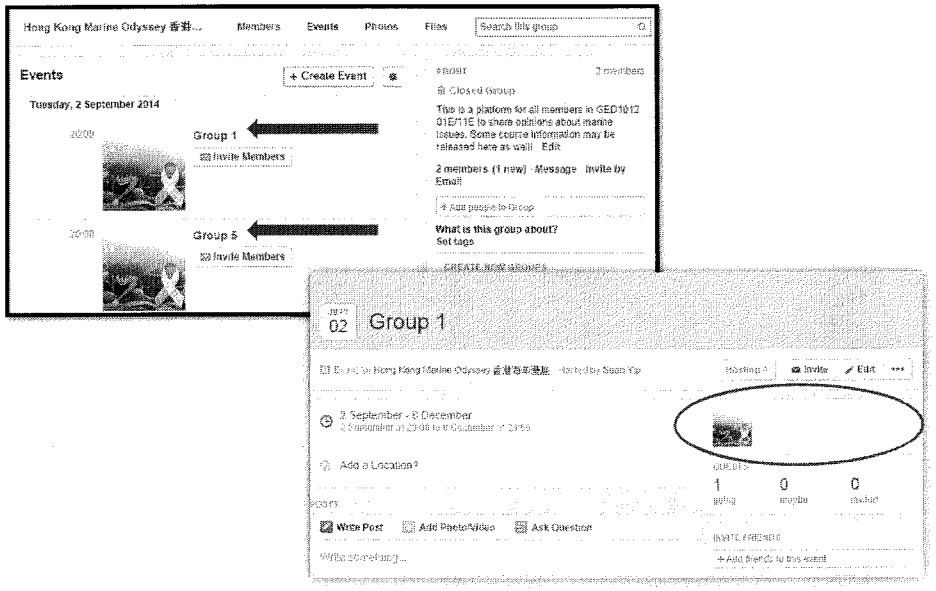
Please click “Events” to find your own group. If there is no group showed below, please click “Upcoming events” or “Past events” to check this.

In order to enhance a good discussion atmosphere and focus on the same topic and assess the content more efficient, different groups had been established for all course participates, all of you can follow the topic and your group number to join it and answer or post the related information and resources for completing assignment 2 and 3.

Ongoing Forum is established here for all to share/discuss all information related to marine issues. Course instructors will also updating the course information and reminder here.

Then you find that the groups are ready in the page and join your own group (click going) and invite your group mates.



All discussion and sharing should be completed on or before 23:55pm, 8/12/2014. After the deadline, all new updated opinions and sharing will not be marked!
