

## Re-opening of 1/F, Mong Man Wai Library 蒙民偉圖書館一樓重新開放

With the completion of Phase 5 of the Mong Man Wai Library Spatial Reorganization Project, the whole 1/F of the MMW Library is now re-open for service.

Library collections housed on 1/F include Oversize Books, School Textbooks, Teaching Resources and Children's Literature Collection. In addition, 5 Group Discussion Rooms ([www.lib.ied.edu.hk/info/services/discusszone/discussion\\_rooms.html](http://www.lib.ied.edu.hk/info/services/discusszone/discussion_rooms.html)) and 24 Group Discussion Tables ([www.lib.ied.edu.hk/info/services/discusszone/discussion\\_tables.html](http://www.lib.ied.edu.hk/info/services/discusszone/discussion_tables.html)) have been set up at the new Discussion Zone ([www.lib.ied.edu.hk/info/services/discusszone/index.html](http://www.lib.ied.edu.hk/info/services/discusszone/index.html)) on 1/F. Large 42-inch or 50-inch computer displays (donated by Shun Hing Education and Charity Fund) and computing facilities are provided at each Group Discussion Room and Group Discussion Table. Group Discussion Rooms are available for advance booking by HKIEd students and academic staff through the Institute's iBooking system at [ibooking.ied.edu.hk](http://ibooking.ied.edu.hk). Group Discussion Tables, on the other hand, are available for advance booking by HKIEd students only via the Library's booking system at [app.lib.ied.edu.hk/booking/day.php?area=7](http://app.lib.ied.edu.hk/booking/day.php?area=7). Details and guidelines on advance booking can be found at the URLs provided above.

Located also on 1/F is a new Flexi Zone. Similar to the Discussion Zone, the Flexi Zone is a designated discussion area when no event is scheduled. However, Flexi Zone can be partitioned off to become an enclosed venue for academic and cultural activities such as book talks, workshops and seminars. The e-Learning Studio on 1/F will continue to serve as a centrally time-tabled classroom and an open access computer lab when no class is in session. Two SEN Study Rooms have also been set up on 1/F to support users with special education needs ([www.lib.ied.edu.hk/info/services/disabled.html](http://www.lib.ied.edu.hk/info/services/disabled.html)). Access of SEN Study Rooms can be arranged with the Circulation Counter at 2948 6658.

For more details on the new facilities provided on 1/F of MMW Library, please feel free to contact our Information Counter at 2948 6653.

隨著蒙民偉圖書館空間改善工程第五期的完工，蒙民偉圖書館一樓全層現已重新投入服務。

圖書館一樓現在收藏了特大圖書、學校教科書、教學資料和兒童文學特藏。此外，一樓的研討區 ([www.lib.ied.edu.hk/info/services/discusszone/index\\_c.html](http://www.lib.ied.edu.hk/info/services/discusszone/index_c.html)) 亦新設有 5 間小組討論室 ([www.lib.ied.edu.hk/info/services/discusszone/discussion\\_rooms\\_c.html](http://www.lib.ied.edu.hk/info/services/discusszone/discussion_rooms_c.html)) 和 24 張小組討論桌 ([www.lib.ied.edu.hk/info/services/discusszone/discussion\\_tables\\_c.html](http://www.lib.ied.edu.hk/info/services/discusszone/discussion_tables_c.html))。每間小組討論室和每張小組討論桌均設有大型42吋或50吋電腦屏幕(由信興教育及慈善基金捐贈) 以及其它電腦設備。本校師生可以利用學院之iBooking系統 ([ibooking.ied.edu.hk/](http://ibooking.ied.edu.hk/)) 預訂小組討論室，而小組討論桌則只供本校同學經圖書館預約系統 ([app.lib.ied.edu.hk/booking/day.php?area=7](http://app.lib.ied.edu.hk/booking/day.php?area=7)) 預訂。有關預訂的詳情和指引，請參閱上述網址。

圖書館一樓亦新設置了一個多用途區。與研討區相類似，多用途區於空檔時段亦是一個指定的討論區。另一方面，圖書館可以利用活動圍板將多用途區分隔成一獨立區域，方便進行講座、工作坊及研討會等學術文化活動。一樓的電子研習坊亦將繼續提供作為本校班房及開放式電腦中心的雙重功能。另外，一樓也設置了兩間特殊學習需要自修室 ([www.lib.ied.edu.hk/info/services/disabled\\_c.html](http://www.lib.ied.edu.hk/info/services/disabled_c.html))，供有特殊學習需要的讀者使用，歡迎致電 2948 6658 聯絡流通服務台以作安排。
